

**Science Journal Scoring Rubric**  
**Topic: Colors in the Leaves**

Scoring System:

- + = Fully demonstrates skills, shows understanding**
- ✓ = Demonstrates most skills, shows some understanding**
- = Does not demonstrate skill, shows little understanding**

Name	Knowledge- Page 1	Observations- Page 2	Predictions- Page 3	Experiment- Page 4	Results- Page 5	Summary- Page 6

**Science Journal Contents**

- Page 1- Write what they know about leaves
- Page 2- Draw/Color Leaf- Record Observations
- Page 3- Record Predictions about Acetone
- Page 4- Write Out/Draw Experiment
- Page 5- Chromatography Strips & Results
- Page 6- Summary of Findings-Discuss with adult, Teacher assisted writing as necessary.
- Page 7- Leaf Rubbing Activity
